Happy Holidays

HOLIDAY CALENDAR

HOLIDAY TREE LIGHTING
Thursday, December 2 | 4:00PM | South Gate City Hall

Join us along with local community performance groups for an evening of cheer and merriment as we welcome the holiday season.

PAGEANT OF THE TREES
Saturday, December 4 | 5:00PM | Virtual Auction

The Commission for South Gate’s Youth “Pageant of the Trees” will be virtual this year. Although we’ve had to change the format, with your help we can still accomplish our mission of empowering youth by supporting meaningful projects and programs. Visit cityofsouthgate.org to view registration link and participate in the silent auction. Please contact August Agent by email agent@sogate.org or by phone (323) 563-5408, if you are interested in supporting this worthwhile event by becoming a sponsor, decorating a tree, or attending the virtual auction.

BREAKFAST WITH SANTA

The 25th Annual Family Day in the Park was a tremendous accomplishment. The event brought together over 55 agencies and organizations and programs which benefitted the City of South Gate and surrounding communities. The City of South Gate would like to thank W.A. Woods, the South Gate POA, Mr. C’s Towing, and NASA Services for their sponsorships. Without help from these generous sponsors this event wouldn’t have been possible.

While the holidays can be a season to be jolly, it can always be a time for thieves to be looking to steal your valuables. Here are a few good tips for both the holidays and throughout the year.

1. Never leave your purse, wallet, cell phone or other valuables inside an unattended vehicle. Thieves like to “window shop” by peering into car windows in search of hidden valuables.

2. Never leave a purse or other valuables “hidden” under a sweatshirt or under your car seat. That’s the first place crooks look.

3. Just returned to your car from a little holiday shopping? Place those purchases securely into the trunk of your car before driving to your next destination. Don’t wait until you arrive at your next store to do it. Why? Because thieves like to watch people putting valuables into their trunk so they can break into it.

4. Always keep purses closed while shopping and on your arm. Thieves like crowded stores to reach into open purses to steal your wallet, cell phone or other valuables.

5. When parking at a store try to park as close to the store entrance as possible. Double check that you’ve locked your vehicle and that there are no visible items inside your car or truck.

6. When placing purchases into your vehicle, always place your purse into your vehicle before loading your bags. Thieves like the hustle and bustle of crowded stores to distract people so that they can steal your purse or other valuables.

Construction and Improvement Project Updates

New Construction

The Urban Orchard Project is part of the city’s Capital Improvement Program. It is currently budgeted with over $21.4 million in grants and local funds. The project will construct a new park in the city next to the Los Angeles River, I-710 Freeway and Firestone Boulevard. The proposed park will contain numerous amenities such as a community orchard with fruit trees, a constructed wetland with emergent vegetation, an education garden, a natural play area with a water element, multi-use exercise pathways, a knoll overlooking the wetland, picnic areas, exercise stations, public art, native shade trees, groundcover vegetation, irrigation system, pathway lighting, a multi-use community building, and a maintenance garage. A unique feature of the project is it will divert storm water from the Los Angeles River to irrigate the park. The project began construction in August 2021 and is scheduled for completion in December 2022.

Street Improvement

As of November 2021, construction is complete on street improvements that took place on three major roadway corridors: Garfield Avenue, between Jefferson Avenue and the south city limit, Imperial Highway, between the Los Angeles River and Old River School Road, and Firestone Boulevard at Otis Street, next to South Gate Middle School. One of the improvements included raised medians with drought tolerant landscaping and up-lighting. Deteriorated road pavements were repaved, and sidewalks were repaired. Street furniture such as bus shelters were replaced. At the intersection of Firestone Blvd and Otis St, a dedicated eastbound right-turn pocket was installed to increase roadway capacity. These improvements were necessary for street rehabilitation, to enhance safety and traffic circulation, and to beautify the corridors. The total budget was $10 million which was fully funded with restricted and grant funds.

South Gate Water System Improvement Project

The City’s water system provides drinking water to approximately 90% of the City’s residents and businesses. It contains seven water production sites with drinking water wells equipped with aging chlorination systems. The City Council approved $4.5 Million to replace the chlorination systems under the Water System Facility Chlorination Upgrade Project. Construction of the project was complete as of October 2021. This project had a purpose of enhancing water quality systemwide as it replaced all the chlorination systems in inventory. It also enhanced the SCADA system, added new chlorine tanks with spill containment, and installed site access, security system and fire safety improvements.

Intern Spotlight

My name is Yasmeen Solano and this summer, I took part in the 2021 LA County Arts Internship with the City of South Gate’s Cultural Arts Division. I’m a South Gate resident and a 2nd year undergrad student at UCLA pursuing a Sociology degree. My goals going into this internship were to explore a new work field, learn more about my city, and assist in promoting art and culture. Sure enough, I was exposed to social media marketing, helped with the ongoing communication for the first annual South Gate Art Walk, and dedicated time to museum research, like many people. I was surprised South Gate had a museum rich in history. My main task was to create connections between objects in the collection and produce a public program around my findings. I chose to emphasize the women in South Gate history who have been crucial in the progressive welfare of our city. A significant figure found was Margaret Travis, South Gate Azalea Queen in 1995 who was recognized for her role as president of several clubs and her dedication to community service. Margaret represents women of action and hard work breaking social barriers one step at a time. Thank you, South Gate Cultural Arts team, for a beautiful and educational time.
The City of South Gate Encourages all Residents to Conserve Water

South Gate is encouraging residents to voluntarily reduce water usage by 15%. Good conservation practices help ensure a reliable water supply into our future.

Water Conservation Tips

Outdoor Water Use
- Identify and fix water leaks.
- Restrict hand-washing down sidewalks and driveways.
- Avoid irrigating landscapes in a manner that causes excess runoff.
- Shut off fountains or decorative water features, unless the water is part of a recirculation system.

Indoor Water Use
- Reduce your normal shower time by 5 minutes.
- Turn off water while brushing teeth.
- Wash only full loads of laundry and dishes.

Completion of the I-710 Corridor Soundwall Project

The construction of the I-710 Corridor Soundwall Project has been completed. This $8.9 Million project constructed two soundwalls to mitigate noise impacts from the I-710 Freeway for the Thunderbird Villa Mobile Home Park. The soundwalls are accompanied by pedestrian trails, drought tolerant landscaping and trees. The final cost of the project is estimated to be approximately $8.4M which is about $400K under budget. The project was entirely funded with Measure R funds from the I-710 Corridor Project. This means that the City did not use any of its General Funds or local return transportation funds.

Holiday Tree Collection

Waste Management would like to wish all South Gate residents a happy holiday season. Waste Management is inviting South Gate residents to recycle their Holiday tree through its curbside tree collection program.

Curbside tree collection for residents will take place between December 27, 2021 – January 7, 2022

Instructions for Tree Collection
- Remove all decorations, including tinsel, lights, ornaments, and tree stands
- Place your tree on the curb for recycling, do not place inside the trash or recycle container
- Trees that are taller than six feet must be cut in half
- Flocked trees cannot be recycled. They will be collected with your regular trash.

Holiday Recycling Q&A

Q: Can glass ornaments be placed in your recycling cart?
A: No, these items do not belong in your recycling cart. Damaged ornaments can be thrown away in your trash cart but if they’re still in good condition, consider donating them to a local charity.

Q: Is wrapping paper recyclable?
A: That depends on the type; paper-based wrapping paper is recyclable but if it’s foil-based (shiny), it is not.

Recycling Reminder: Please flatten cardboard boxes, from all those holiday deliveries, to make room in your recycling cart.

G U I D E
The City of South Gate understands that we all want to bring our entire family, including our dogs, to the park; for exercise, to socialize or just to enjoy our beautiful parks. But a busy park is not always the best place for a dog. To ensure that our four legged friends can also enjoy our City Parks, please remember the following rules.

**Rules to know about bringing your dog to the Park**

Dogs are NOT ALLOWED at South Gate Park except on the outside trail (sidewalks). Dogs must be on leash and in the owners control at all times.

For the full list of Dog Park Rules please visit [www.cityofsouthgate.org](http://www.cityofsouthgate.org)

---

**South Gate Dog Park**

Dogs may play off leash. Dogs must be on leash when outside the Dog Park fence.

In this course we will be using charcoal and graphite to practice drawing a still life scene. We will introduce the ideas of contour, cross contour, and directional light to break down still life drawing into simple steps that anyone can follow. This is a great class for both artists who are getting started with life drawing and artists who already have some experience.

LEARN-TO-SWIM PROGRAMS

Learning how to swim can save your life and the lives of your friends and loved ones. That is why our Aquatic Staff is eager to teach you and your little ones how to swim and be safe around the water.

Swim lessons are progressive in nature, so the new classes available during registration change per season based on the successful completion of the students in the previous session. Pre-test is available upon request. Please bring child and swim suit with you before registration during open hours.

SWIM LESSON SKILLS

Parent & Child - Baby Beluga
- Introduces basic skills to parents and children. Parents are taught how to safely work with their child in the water, including: supporting holding their child in the water, preparing and helping your child to participate fully in each skill. Children are introduced to basic skills that lay a foundation to help build early swimming skills.

Tiny Tots - Starfish
- Introduces the most elementary aquatic skill which participants continue to build on as they progress through the Folk-AquaTots and LandSwim levels. At this first level, children are encouraged to develop good attitudes and safe practices around the water.

Tiny Tots - Jellyfish
- Most skills in this level are performed with assistance. This level focuses on the beginning of independent aquatic locomotion skills. Participants continue to explore using simultaneous and alternating arm and leg actions in forward and back to gain more proficiency of future strokes.

Tiny Tots - Seashells
- This level builds on the skills taught in level 3 and introduces more advanced skills based on the child’s ability.

Swim Class
- Introduction to Water Skills
- Participants will learn the basic personal water safety information and skills to help participants feel comfortable in the water and to keep themselves water safe.

Level 2 - Octopus
- Fundamental Aquatic Skills
- Participants are taught to float, swim on their back and some progress to swim to a vertical position. This level builds the beginning of independent aquatic locomotion skills. Participants further develop skill in forward and leg actions, and alternating arm and leg action on the horse and back stroke. They also learn to swim with and without assistance.

Level 3 - Sea Turtle
- Stroke Development
- Participants are taught to swim the front crawl, elementary backstroke, scissor, side and breast strokes, and how to swim under water. Participants will also be taught the rules to entering the water and remaining in the water safely.

Level 4 - Dolphin
- Stroke Improvement
- Participants are taught how to improve their skills and increase their endurance by swimming already learned strokes for greater distance. Participants also learn to swim with view, breaststroke, butterfly, and the basics of turning at a wall.

Level 5 - Sting Ray
- Stroke Refinement
- Participants are taught how to refine their strokes so that all the strokes from front crawl, back, breast, butterfly, breaststroke, elementary backstroke, and sidestroke. Students are taught the proper way to change strokes while swimming.

Level 6 - Shark
- Swimming & Skill Proficiency
- Participants continue to refine their strokes as they are taught to swim with ease, efficiency, power, smoothness and leg movements. They will be introduced to other aquatic activities in the areas of Personal Water Safety, Fundamentals of Lifeguarding and First Aid. Swim lessons for these advanced water related programs like Lifeguarding, competitive swimming, water polo, diving, synchronized swimming.

AQUA AEROBICS
